

PiMag[®] Aqua Pour Express

Quick Reference Sheet

PiMag Aqua Pour Express

Enjoy Nikken PiMag water wherever you go with this compact and fast filtration system.

The Facts

- The PiMag Aqua Pour Express is ideally sized for individuals or families, and fits in any environment - home, office, bedroom, caravan, even smaller spaces.
- The filtration technology provides PiMag water quickly through gravity flow.
- The PiMag Express is designed to be filled easily and the economical, easy-to-replace filter cartridge lasts for six months of average use.
- Nikken PiMag Water Technology is superior to other systems that require the use of chemicals or salt.
- PiMag water is an exceptional source of what your body needs. It can help restore the balance of fluids that plants, animals and human beings are composed of internally.
- PiMag water is also less acidic than some tap water. Less-acidic water is more in harmony with your natural fluids.
- The technology in the PiMag Express is based on natural forces. It uses gravity and the natural properties of water.
- The PiMag Express is more practical than bottled water. It eliminates the need to struggle with heavy water bottles.
- Commercially bottled water is expensive - PiMag water costs a fraction of the price.
- Most importantly, with the PiMag Express you get more than water - you get PiMag water.

Features

- **Compact**
- **Gravity flow**
- **Removable jug**
- **Microsponge prefilter**
- **Activated carbon filter**
- **Zeolite filter material**
- **Pi ceramic material**
- **Magnetic Technology**

Benefits

- Fits easily almost anywhere, even where counter space is limited
- Requires no plumbing
- Sized to fit on refrigerator shelf
- Reduces particulates
- Simple, natural form of adsorption filtering
- Provides exceptional filtration quality
- Reproduces conditions for creating pi water
- Adds the magnetic component to produce PiMag water

Product Information

Item Code

#1356 PiMag Aqua Pour Express

Replacement components:-

#13565 Filter Cartridge

#1362 Microsponge Filter

#13566 Jug

Featured Technology

PiMag Water Technology

Gauss Rating

1,200 gauss ring magnet

Specifications

Weight: 3.2 kg

Dimensions: Unit 36.8 x 24.9 x 19.8cm

Jug 18.6 x 16.6 x 9.7cm

Water capacity: Fill tank 2.2 Litres

Materials contained in product

Natural starch, carbon, zeolite, silver, mineral sand, sunmac mineral sand, silica sand, coral calcium, ring magnet

Care Instructions

Do not submerge in water. May be cleaned with a damp, soft cloth.

How to use

Fill tank with water. Jug will fill by gravity. Filled jug may be refrigerated.

Filter Replacement

Microsponge prefilter: if surface becomes permanently discoloured or hardened.

Filter cartridge: 6 months or 2,200 Ltrs, whichever comes first

Warranty Information

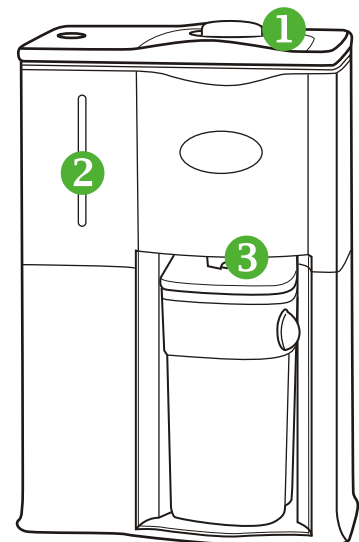

The PiMag Aqua Pour Express is covered by a 12 months warranty from date of purchase against faulty materials and workmanship under normal use.

Hints & Tips

- Offer a drink of water from the PiMag Aqua Pour Express. PiMag water is not only "the water of life," it tastes delicious.
- Because the Aqua Pour Express works without plumbing, it can be used almost anywhere.

PIMAG AQUA POUR EXPRESS OPERATION

- 1 Water is poured into the filler tank.
- 2 Water flows through multiple levels of filtration, plus pi ceramics and magnetic field, into the convenient jug.
- 3 An automatic shutoff valve closes when the jug is removed, preventing drips.

Safety Information

- Make sure you read all care information contained in the Product Information Guide supplied with this product. Only fill with microbiologically safe drinking water (treated public water supply).
- Nikken Wellness has no information that the water supply in your area has any water problems implied or referred to in this brochure or other communication materials.
